

YOU'VE BEEN BOOED!

A special Halloween surprise has landed at your door!
Now it's your turn to keep the spooky fun going.

Here's how to keep the fun going:

1. Enjoy your treats and display this sign on your door or window so others know you've been Booed.
2. Make two Boo Baskets of your own.
3. Secretly deliver them to two neighbors who haven't been Booed yet!

Let's fill our neighborhood with Halloween cheer, laughter, and kindness – one Boo Basket at a time. ❤️

Happy Haunting from your friendly neighborhood

Boo-ers!
