

# YOU'VE BEEN EGGED!

Surprise! A little Halloween magic has been left on your lawn! 👻

You've just been egged – but in the best way possible. 😊

Here's how to keep the fun going:

1. Enjoy the hunt! Find all the hidden Halloween eggs in your yard.
2. Display this sign so everyone knows your home has already been egged.
3. Refill and re-hide your own spooky eggs for another family to discover!

Let's spread smiles, laughter, and sweet surprises all around the neighborhood this Halloween. ❤️

Happy Haunting and Happy Hunting! 🕸️🎃
